

Quick Start Guide

BOROUXTM

Move Sleeve

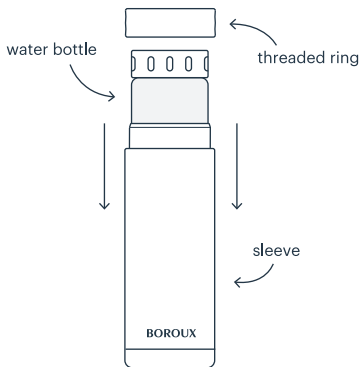

for use with the BOROUX Glass Water Bottle 500 ML (16.9 FL OZ)

Installation

Secures both your beverage and its climate

- 1 Twist off threaded ring.
- 2 Place your bottle in the sleeve.
- 3 Twist the threaded ring back on.
- 4 If the threaded ring will not fully twist into place, simply remove the water bottle, then remove the silicone spacer ring in the bottom of the sleeve. Reinstall the water bottle into the sleeve, and screw the threaded ring back on.
